ENRICHMENT
Please note, students under age 16 are not allowed on campus unsupervised at any time. Students who need to be on campus prior to class start or after class end will need to be enrolled in our daily Enrichment course. They will begin and/or end each day creating art and focusing on projects separate from their weekly “theme.” The Enrichment instructor will pick your child up from his/her classroom and escort him/her to the Enrichment room where you can expect to find them every afternoon or drop them off every morning.

$50 per week per student (includes materials and afternoon snack)

Enrichment fees are in addition to any tuition for weekly courses and covers both the AM and PM Enrichment sessions

Students must be pre-registered

No discount on Enrichment for multiple students

Students must be signed in and out daily by a parent or guardian with ID

WEEKLY COURSE OFFERINGS

Students must have turned eight prior to July 1, 2015.

■ WEEK 1: JUNE 22 – 26

ADOBE® CS: DIGITAL ILLUSTRATION AND ILLUSTRATION

Combine traditional skills with digital rendering techniques through Adobe® Illustrator® and Photoshop®. Learn how to integrate digital tools with traditional hand drawings and photographs to create new interpretations of your ideas. This class will also introduce the use of a Wacom tablet.

AYTH 212
$250

■ WEEK 2: JULY 6 – 10

DRAWING

Students will develop a strong foundational understanding of drawing from life. Working from the still life, the process of seeing complex objects as simplified shapes will help each student improve his/her drawing skill. Important techniques for creating shadow/light values on form, and distinguishing between foreground/background will be introduced.

AYTH 201
$250

■ WEEK 3: JULY 13 – 17

CARTOONING

Using methods like storyboarding to develop complex characters and in-depth story development will be introduced. Students will work with themes of culture, identity, and genres like humor, adventure, nature, family, heroes, dreams. Drawing techniques for storytelling and character development will also be important segments of this week’s classes.

AYTH 203
$250

■ WEEK 4: JULY 20 – 24

SCULPTURE

Incorporating the non-traditional material with traditional fashion materials to create design collections will be the key to this week. Students will be guided through the design process, including inspiration, research, and drawing out ideas and design concepts. Students will learn about fashion designers who successfully use non-traditional materials to create wearable fashion. Both traditional and non-traditional sewing techniques will be taught.

AYTH 205
$250

■ WEEK 5: JULY 27 – 31

AUTO DESIGN

While the drawing course is complex and exciting, it is also important to understand how to translate the 2D designs into three dimensions. In this session, students will learn drawing techniques specific to auto design (perspective, proportion, accuracy of shapes) while also taking inspiration from car designs of the past. Students will create a basic 3D section model of their own unique design.

AYTH 040
$250

Please note: Lunch is not provided. Please plan accordingly.
