2016 ONE WEEK AT A TIME WEEKLY COURSE OFFERINGS

Young minds are full of curiosity and the need to learn. Each of our young artist classes is designed to fulfill those desires and teach basic art and design skills to inspire and foster creativity. We offer a variety of studio- and digital-based courses for several age groups to provide a supportive learning environment for all. Students must have turned eight prior to July 1, 2015.

WEEK 1: JUNE 20 – 24

SCULPTURE
Students will learn to take their ideas and communicate them through a three-dimensional form. Students will work with clay, found objects, fabric, wire and more as they develop their concepts.
AYTH 202 A | AYTH 202 B | $250

WEEK 2: JUNE 27 – JULY 1

FASHION
Incorporating the non-traditional materials with traditional fashion materials to create design collections will be the key to this week. Students will be guided through the design process, including inspiration, research, drawing out ideas and design concepts. Students will learn about fashion designers who successfully use non-traditional materials to create wearable fashion. Both traditional and non-traditional sewing techniques will be taught.
AYTH 205 A | AYTH 205 B | $250

WEEK 3: JULY 8 – 12

COLOR BY MATISSE
Students will explore the vividness and freedom of color inspired by studying the works of the artist Henri Matisse and other post-Impressionist artists. By creating bright still lives, portraits, prints and collages, students will expand their artistic expression.
AYTH 033 A | AYTH 033 B | $250

WEEK 4: JULY 15 – 19

DRAWING
Students will develop a strong foundational understanding of drawing. Working from still lives, clothed models, architecture and nature, young artists will develop and improve their drawing skills. Important techniques for creating shadow, value and form will be introduced.
AYTH 201 A | AYTH 201 B | $250

WEEK 5: JULY 22 – 26

AUTO DESIGN
While drawing cars is complex and exciting, it is also important to understand how to translate 2D design into three dimensions. In this session, students will learn drawing techniques specific to auto design such as perspective, proportion and accuracy of shape. Students will also create basic 3D models of their own designs.
AYTH 040 A | AYTH 040 B | $250

WEEK 6: JULY 29 – AUG 2

HEROES AND MONSTERS
Bring your imagination to life! Discover the methods and tools that illustrators use to create wonderfull heroes and monsters. Students will learn how to create figures and place them in surreal environments that tell a story.
AYTH 153 A | AYTH 153 B | $250
