

AMERICAN VISION AWARD WINNERS

The American Vision Award winners are chosen as the “Best of Show” from all of the artwork entered in this year’s Southeastern Michigan Regional competition. Each regional program across the country selects the five most outstanding works of art from their Gold Key recipients. These five young artists represent the region on the national level as American Vision nominees. A national panel selects one of the nominated works from each region as the American Vision Award Recipient for 2016
